Grow longer lashes, improve your skin tone, protect your face from the sun—whatever your cosmetic needs, ask our staff if we have something that's right for you. No prescription necessary.

FINE LINES & WRINKLES (Matrix IR)

The first and only technology that uses combined energies to heat the connective tissue within the target area, stimulating collagen production and producing a firming effect in lax skin. Mild to moderate wrinkles are reduced, and the texture of the skin becomes more smooth and elastic. *Performed 4-8 weeks apart.*

\$250 per area/Treatment

Package of 3: \$675

\$150 per area for maintenance*

SKIN TIGHTENING (Refirme)

The first and only technology that uses combined energies to precisely heat the dermal tissue within the target treatment area, stimulating collagen production. Fine wrinkles are reduced, noticeable lifting can be observed and the texture of the skin becomes smoother, more luminous, and toned. *Performed 3-4 weeks apart.*

\$300 per area/Treatment

Package of 5: \$1350

\$200 per area for maintenance*

VEINS & PIGMENT (Skin Rejuvenation)

The first and only technology that uses combined energy to precisely and safely target pigmented lesions such as freckles, sun spots, and age spots. Vascular lesions such as spider vessels and red-

MICRODERMABRASION (Libra)

Libra microdermabrasion applies a highly controlled stream of fine crystals plus suction to the surface layer of the skin. This gentle abrasion and suctioning works to remove dead skin cells, unblock clogged pores, smooth the appearance of facial lines, stretch marks and minor scars, plus reduce the appearance of blemishes and uneven skin tones. *Performed 1-2 weeks apart.*

\$85 Treatment

Package of 5: \$385*

ACNE TREATMENT

The first and only technology that uses combined energies to penetrate the skin to precisely target and destroy active acne-causing bacteria, while also slowing excessive sebaceous oil production. Treatment helps in reducing active acne and speeds up healing time of existing acne. *Performed 2 times a week for 4 weeks*

\$250 Treatment

Package of 8: \$1800*

*Results may vary. If results are obtained quicker than expected when a package is purchased, money will be credited toward maintenance. Not everyone is a candidate for all procedures. Schedule a personalized FREE CONSULTATION to discuss your individual treatment plan.

CELLULITE & CONTOURING (Velashape)

Velashape uses combined energies to precisely target and heat fatty tissues within the treatment area. In addition, the vacuum and tissue manipulation evens out the skin to reveal a smoother, tighter figure. Velashape is the only FDA approved technology to temporarily reduce the circumference of thighs and temporarily reduce the appearance of cellulite. *Performed 1-2 weeks apart.*

\$300 per Treatment

Package of 5: \$1350

\$150 per area for maintenance*

Velafirme

Velafirme combines the technology of Velashape and Refirme to reduce cellulite and tighten skin.
